

STEAMSHIP TRADE ASSOCIATION OF BALTIMORE, INC.

Beginning on October 1, 2020 for any individual working on a Ro-Ro Vessel, the wearing of a Bump Cap will be mandatory for the safety of all Employees. If you are on a company roster that works Ro-Ro Vessels, inquire with that company about being issued one. The STA will keep track of Unattached individuals who may be issued one when dispatched to a Ro-Ro Vessel.

Bump Caps are NOT a substitute for Hard Hats. Hard Hats will still be required to be worn at any container operation, lifts, or any other area where Hard Hats are mandatory.
