# ILA–USMX JOINT SAFETY COMMITTEE

OSH ALERT 2017-03 [16 June 2017]

UPDATED HEAT STRESS APPS

The Occupational Safety & Health Administration (OSHA) and the National Institute for Occupational Safety & Health (NIOSH), both creations of the Federal OSH Act of 1970, have collaborated in the development of new Heat Stress applications suitable for use on Apple and Android devices.

The new apps provide an upgraded source of valuable information, that employers and employees may jointly utilize in combating the hazards associated with high heat workplace exposures.

Here are the relevant links:

For Apple Devices: **Apple High Heat App**

For Android Devices: **Android High Heat App**

The current, OSHA-developed Heat Stress App will stay up and accessible until September of 2017.
